

2007 AIA Certified Officials

Starters Clinics: This year, the Officials Association has established 2 levels for Starters.

Level 2 Starters: Must have attended a current year AIA Track & Field/Cross Country Officials Clinic that included the Starters portion of that clinic. Officials in this classification **are not** eligible for recommendation to the AIA for assignment to start State Championships.

Level 1 Starters: Must have attended a current year AIA Track & Field/Cross Country Officials Clinic and in addition, Must also have attended one of the current years special Starter's Clinic. Officials in this classification **are** eligible for recommendation to the AIA for assignment to start State Championships.

Officials attending the Level 1 clinics are requested to bring all of their starting equipment with them including starters pistol (s) and ammunition.
